

Quick Reference Guide

Barcodes for the Zebra DS2278 2D Scanner

This quick reference guide provides information about Zebra DS2278 2D Wireless Barcode Scanner barcodes to use in case the features described below are not functioning.

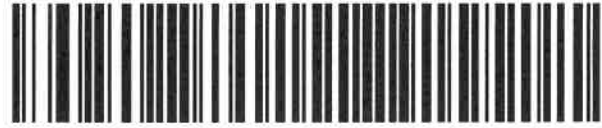

Charge the scanner before first use. Connect the cable to the scanner and assemble the stand provided following instructions in the Barcode Scanner User Guide.

https://www.zebra.com/content/dam/zebra_new_ia/en-us/manuals/barcode-scanners/general/ds2278/ds2278-prg-en.pdf

NOTE: Do not scan any of the barcodes in the Zebra User Guide. Scan barcodes #2, #3, and #4 every time you factory-reset the scanner.

1. Factory-reset the scanner. Make sure the scanner is flashing green before placing the scanner in the cradle. Wait 10 seconds before scanning the next barcodes.	
2. Add Enter Key (carriage return). Wait five seconds before scanning the next barcode.	
3. Enable QR Code scanning ability. Wait five seconds before scanning the next barcode.	
4. Override Caps Lock Key. Data is preserved regardless of the state of the Caps Lock Key. Wait five seconds before using the scanner.	

5. Disable USB fast HID, allow to switch between multi windows.
